Gym membership cancellation form template

Cancel as easy as email

Recently moved and changed gyms... I would have had to cancel my membership in order to move from one gym to another. Cancel your membership in 3 easy steps without having to visit the gym.

- 1 Review your membership agreement.**

See when your contract term expires. If you can give written proof that you are injured or must move out of range of a Planet Fitness, then you may be able to terminate early with no fee. It could be better to wait until expiration to terminate in order to avoid a fee.
- 2 Write your letter.**

The Planet Fitness website section on cancellation confirms you can send a letter to the club to cancel. Here's a sample Planet Fitness Cancellation form that has worked in the past for you to use.
- 3 Use Certified Mail.**

Planet Fitness recommends using Certified Mail and we agree. It's easy to send your scan by certified mail with [ShipStation.com](#). Just click below to get your free account. [Watch the DocuSign video](#) [Get my FREE account](#)

Dear AggieLand Fitness Dome Members,

Gold's Gym recently signed an agreement to acquire AggieLand Fitness Dome. We plan on upgrading your fitness experience with full access to our area locations including our brand-new Tower Point location slated to open in summer 2017.

We're thrilled to welcome you into the Gold's Gym family! You can rest assured that many of the things you love about AggieLand Fitness Dome will continue during this transition process.

How will this affect your membership?

This transition will be completely seamless. As we wrap up construction on Gold's Gym Tower Point, you can continue working out at AggieLand Fitness Dome. We will then transfer your membership to Gold's Gym Tower Point, which is located less than two miles from AggieLand Fitness Dome.

Tower Point will also offer our exclusive **GOLD'S STUDIO™** programming including **GOLD'S SFIT™** and **GOLD'S CYCLE™** (learn more at www.goldstudio.com).
