Redfems / Getty Images Altered images were one of the most promising new wave acts in the UK in the early 1980s. The "unhappy birthday" was included in the band's latest studio album, "Strangeways, Here We Come." The vocalist sings that he is wishing an unhappy birthday "because you are evil and you lie". REDFEEMS / GETTY Images Neil Sedaka's Classic "Happy Birthday Sweet Sixteen" is an Uptempo 3 for a 16th birthday celebration. I nailed the R & B singles chart in 2009, was up to No. 4, and was Platinum certified for sales. ISAAC Brekken / Getty Images It's a wonder that no one thought about this kind of birthday song 3 before Jeremiah had a pop breakthrough Smash about sexual birthday celebrations. That campaign would be successful, and now the song4 is not used much more widely for other celebrations of birthday. This is one of his four top 40 pop hits with the innocent, the song5 a theme for the sad birthday, we all live from time to time. Filmmagic / Getty Images This single from "Modern Minds and Hobbies," "The Second Album of Power Pop Group. Click Five, going all the way to No. 1 on the Pop Singles chart in the Philippines. Here are 10 POP versions to help you celebrate your special day: JOHN PRATT / GETTY Images "Meet" marks a return to the more traditional rock 'N' Roll for the Beatles. Follow that success by releasing "breaking is hard to do", its first hit #1 n*1, the next one. The group is best known for the success "only the children".
