The D-Day war is over, but its aftermath remains. Download the MOD APK (VIP, Free Shopping) version of Brothers in Arms 3 to transform into a soldier and participate in fierce battles. Introduce about Brothers in Arms 3 After the success of the two hit games Brothers in Arms and Brothers in Arms 2, Gameloft is still ambitious to transmit more to the community in this series. Finally, Brothers in Arms 3 was launched with the hope of continuing the echo of the two predecessors. Brothers in Arms 3 is a World War II game with the main content revolving around the war between the allies and the Nazis. The game promises to bring fans the best experience. Plot Still using the same timeline during World War II in 1945, part 3 centers around the story that took place after the Normandie war in France. Sergeant Wright led his task force on his life-changing journey, after witnessing the tragedy of bloody massacre during the historic war. Players will play as the commander, serpeant Wright along with his teammates perform various tasks on the battlefield. Gameplay Players will experience the unique style of teamfight combat. It is more tactical, and the attack becomes more diverse, including airstrikes, petrol bombs, mortars, rockets, etc. And especially players can take advantage of their ability and weapons to win in this fierce battlefield. The more missions you complete, the more chances you'll have to recruit new allies. They can be upgraded to become experienced soldiers such as increased damage, recovery speed, vitality, area of effect and more. In addition to the available missions, players also participate in many special events, hunt for rewards when facing gamers from around the world. The challenges increase with level, corresponding to a bigger prize. However, these events are always limited and only held on special occasions. New experience If you are a fan of the Brothers in Arms series, you cannot skip over part 3 of this series. Although it still carries the same gameplay as its predecessors, in this version, the game has many new breakthroughs. First of all, Brothers in Arms 3 has turned the view to the third perspective, this helps players can observe their character actions. Meanwhile, players can unleash their creativity as well as show their style with the upgrade feature. It is now easier to upgrade weapons and add more weapons such as rifles, snipers, shotguns, rocket launchers, pistols and other types of melee. With four different maps and dozens of thrilling missions, Brothers in Arms 3 is a perfect place for players to practice their skills and reflexes while fighting. Each map has its own usefulness. For example, Claustrophobia, a map suitable for practising solo combat. In addition, Aftermath helps increase team performance and maximize the capabilities of all team members. In terms of mode, Brothers in Arms 3 retains the two modes. Free For All, where the player plays as the only surviving soldier and has to confront a whole army before him. Besides, Team Deathmatch mode, which gives you a team of talent soldiers. You need to help them kill all enemies on the map. Powerful graphics Gameloft has conquered gamers from the first versions thanks to excellent graphics and they are still doing very well in the 3rd version. The context of the game is very realistic and vivid depiction thanks to sharp and detailed 3D graphics. Meanwhile, the weather effect is constantly changing from day to night overtime to give players the most realistic experience. Especially, the Graphics Console is rated 3A will definitely make the most demanding players feel satisfied. Characters can move freely in the game, can perform hide and shoot phase, drive tanks, throw grenades, shoot, change weapons fired by using virtual buttons on the touch screen. These movements are also handled optimally, creating an extremely smooth feel. Free shopping/Unlocked VIPFree upgrade Why not?
